TUITION PROGRAM FOR NON-RESIDENT STUDENTS (PreK-12)

Thank you for your interest in the West Deptford School District's PreK-12 Tuition Program. The West Deptford School District accepts qualified non-resident students on a tuition basis in grades Preschool through High School, provided that an appropriate program and adequate class space are available.

As part of the admission and tuition procedure, we request that you schedule an interview with **DR. SHAWNEQUA CARVALHO**, Assistant Superintendent for Human Resources and Chief Academic Officer, at (856) 848-4300 extension 3214. Prior to meeting with Dr. Carvalho, please forward to her the following information and documentation:

1. A completed **Application for Regular Tuition Student Education Program**
2. A copy of your child's **Birth Certificate**
3. Copies of your child's **school report cards** or **teacher evaluations** from their current school
4. Copies of your child's **standardized** and/or **state test scores (PARCC, etc.)**, if available

Arrangements for visitation to the appropriate school will be subsequently planned. A decision regarding enrollment as a regular tuition student will be forthcoming following the completion of this process.

We hope that the educational opportunities available through the West Deptford School District might provide your child with the learning foundation and environment you desire.

Sincerely yours,

Dr. Brian C. Gismondi
Acting Superintendent of Schools
